## Description

For the transport of any type of dangerous goods you have to use the unique four page model displayed on the ADR 2023. The obligation to provide written instructions to the crew no longer falls on the shipper but on the carrier. These instructions shall be provided by the carrier to the vehicle crew in language(s) that each member can read and understand before the commencement of the journey.

The 2017 ADR version of the written instructions is in force, version confirmed also in the ADR 2023. The 2017 ADR version of the written instructions is in force, version confirmed also in the ADR 2023.
