For shipping:

✓ ADR ✓ RID ✓ ADN ✗ IMDG ✗ IATA

Description

This steel support is ideal to insert and easily attach on the transport unit the **aluminum placard** on which there is the adhesive label or mark (sold separately). When no dangerous goods are carried, the plate can be turned and placed in the support while leaving the neutral part in view. The support is provided with a locking tab to secure the placard or panel, to prevent any overturn or detachment from the support during the transport.
